Profile

Creative-Efficient Graphic Design - An ambitious designer who is constantly seeking for opportunities to acquire new skills / creative ideas and also to polish up on current ones. Experienced in both print and web publications accompanied with production savvy skills in applications such as Adobe CS4 on both PC and Macintosh operating systems.

Reliable / Effective Team Player - Known for punctuality, creativity, and as a bright student/employee. Former manager Wayne Perkontin noted; "Kevin is a very hard worker that thinks through the situation before he acts upon them."
